However, I just can't fully get behind her. Words ruined in this book: Icy and crumbly. New Pretties do not have to work; the only thing they do in New Pretty Town is have fun and maintain an active social life. Their bodies can also filter out most poisons, demonstrated when it took seven. Do you think he'd get used to his new life, or decide to return to his old one? All Specials, at least in Tally's city, were very tricky as Uglies and managed to resist the effects of the lesions. Allow me to explain: The Hunger Game Note: I am considering this book the finale of a trilogy, because Extras was an un-planned addition.
