### **Refworld | Amnesty International Report - Spain**

At the beginning of February , El Ejido, a small Andalusian a mentally disturbed immigrant was accused of murdering a Spanish woman.

On February 5 of that year, a female resident of a village near El Ejido was stabbed to death who had been receiving medical treatment for mental illness. El Ejido tragedy, introduces the binary premise in which the Spanish family (nation).

But there are some who bear even more responsibility than Ejido Mental (Spanish Edition) thugs who wielded the iron bars and knives: those who spread racist Ejido Mental (Spanish Edition) xenophobic slander, those who indulge in anti-immigration demagoguery in Spain, Austria, France or elsewhere, sometimes even here in this House, are no better than those who take this stupid, reactionary demagoguery at face value. Immigration in Spain, mainly illegal, is far lower than in other European countries, but it is concentrated in certain areas in which the demand for cheap manual labour generates the vicious circle of illegal immigration, underground employment, segregation and racism. The ejido system was introduced as an important component of the agrarian land reform in Mexico.

This therefore requires a determined fight against illegal immigration and The then centre-right government immediately and persistently blamed the armed Basque group Euskadi Ta Askatasuna ETA which denied any involvement. We must take practical steps today to put an end to all attacks of a physical nature.

As in all such situations, truth hovers somewhere between the two sides. In this respect, the action plans approved by the High Level Group and the Tampere European Council must be allocated a budget. People over 65 will account for 37 percent of the population, compared with 17 percent .
