May28Iss. You don't know the history of psychiatry. Famously, that movie had an extended single shot of her beautiful, stricken face, listening to Wagner at a concert hall, as she absorbs the possibility that the boy is telling the truth. His later career has seen a stellar rise to fame, through films such as Top Gun, Rain Man, Jerry Maguire and Mission Impossible, to the point that he is the only man in Hollywood who can 'open' a movie.
