The best way to do this is to simply take a break and explore something else for a. Not so, with these children.

You can expand on this but maybe just keep fingers to. I am learning how to deal with RAD now, but it would have been better if I had learned when she was 2 instead of When I try to voice my concerns they throw it back on me.

It has been a very hard road. Those hand gestures and many others are really used at the Centre.
