Top of page. Numerous accounts and scientific reports suggest that you're more prone to tell the truth under the effects of truth serum drugs, but the drugs have other side affects that might make you say something to please someone else that is not necessarily true. For instance, LSD was used for years as an A TRUTH SERUM truth serum since it too lowers inhibitions and disconnects the brain from its ability to understand the consequences of revealing information. IsTruthSerumReal? Per unverified various A TRUTH SERUM sources, Krishna had purported to have deemed Hemraj prime suspect as not guilty of Aarushi's murder, claiming he [Hemraj] "treat Aarushi like his own daughter". They have claimed, instead, that it makes people feel like talking, but it also puts them in a state of extreme suggestibility: people will pick up on cues about what questioners want to hear and repeat that . Reliabilityandsuggestibilityofpatientsareconcerns,andthepracticeof the drug has been used as a method to try to get people to spill their experiences as recently as in India.
