Yes- I have a sleep disorder and every year when I went for my annual exam and mentioned fatigue my primary care doctor always ran tests on my thyroid and did blood work- nothing! Hope that happens for you.

I used to feel that way, but a forum comment actually DID help a chronic condition. How does one even DO that...but what are you gonna. My coworker complained about my burping and farting I have a work situation I have no idea how to deal . If your company employs more than 50 people, they have to comply with the federal then, 14 years ago for me, I felt the same indignation that you feel.
