Jump to: navigationsearch. His education included studies at the University of Tirana and then the Gorky Institute for World Literature in Moscow, a training school for writers and critics. In a political and literary environment completely and fiercely controlled by the state, Kadare's writing was, for many, the only view available that approached reality—let alone resistance. SearchAdvancedSearch. Thank you. They are obliquely ironic as a result of trying to withstand political scrutiny. Visage des Balkans.
