Excerpt Henry Samuel Levinson First delivered as lectures almost ninety years ago, and published in A Pluralistic Universe still presents William James's most representative ideas in ways that are startlingly fresh, radical enough to call for overhauling the Western philosophical tradition, and sufficiently winning to continue playing a significant role in contemporary philosophy and cultural criticism. Some of these encounters are slights, seeming slips of the tongue, and some are intentional offensives in the classroom, at the supermarket, at home, on the tennis court with Serena Williams and the soccer field with Zinedine Zidane, online, on TV-everywhere, all the time.
