Italian upper class used the written word for many exigencies
and vagaries of social intercourse—several women wrote
letters, some of which were published in collectanea during
their lifetime. Of particular interest to the feminist critic
is the Ragionamentia series of cynically humorous and
pornographic dia- logues between the elderly prostitute Nanna,
her friend Antonia, her daughter Pippa, a nurse, and a
midwife.

concludes that Leonardo surpassed his predecessors and
contemporaries in the systematic application of the
experimental method; Leopold Infeld argues that Leonardo's
empiricism, though based on a contempt for detached
speculation, is still tied to Scholastic reasoning.
