I've never even heard of this game, and I read a little too much about games. Across I believe long-form videogame criticism is a valid form of writing and one that an audience exists. Dec 5, 1, 0 Brunei Darussalam dontlinkthis.

Mat over-zealously believes that writing about videogames can earn you a living. This sells well, it is certainly something I will happily explore doing again in the future. It is a close reading of the game, an act of interpretation that looks at the game much like you could look at a book or a film, and it tries to understand how it conveys what it conveys to me.
