Assuch, this book offers a different perspective on the Chinese quest for modernity. This presentation and construction of Confucian philosophy was strategically developed in order to show a link between ancient Chinese culture and the Christian religion, a link that presented both a strong argument for conversion to potential neophytes in China and a positive image of the mission back in Europe. English Choose a language for shopping. Long 4.
Father Contancin read these sources without questioning the nature of what was the other, the visitor endorses in his own way the commitment to authenticity that is specific to philosophical life.
