Politically, the Middle East offers Beijing the opportunity to reshape the international system according to its vision of a multipolar, harmonious world, but also to participate in the global arena. Historically, promoting dialogue between people of different nations has been a way to build bridges of understanding between countries.

ResearchMuchoftheresearchoncommunitypolicingneedstobereevaluated. After all, the EU took exception to dealing with the ruling military regime of Burma on the basis of its human rights violations and anti-democratic orientation.
