Beach concluded with a few suggestions for U. As some of the most vulnerable and precarious workers in labor markets, guestworkers—especially those working in jobs requiring few skills and earning low wages—would stand to benefit if they were able to easily and freely join labor unions. There has been a major policy convergence between the three countries based on. Finally, employers may argue that, if forced to raise wages to attract local workers, they will lack access to enough lower-paid workers, which could cause them to go out of business due to competition from low-priced imports. After most European governments stopped recruiting guestworkers in Southern and Eastern Europe in the early s in the wake of recessions induced by oil-price hikes, C called on governments to hold employers of irregular i.
