Tattoos have experienced a resurgence in popularity in many parts of the world, particularly in Europe, Japan, and North and South America. There were only a few people still doing that stuff.

Tattoos have experienced a resurgence in popularity in many parts of the world, particularly in Europe, Japan, and North and South America. There were only a few people still doing that stuff. The perpetuation of these designs and themes is a throwback to a now oft-romanticized period in American culture, despite the fact that sailors were seen as unsavory, which gave tattooing a deviant stigma. Warriors, chiefs, and their wives chose geometric or stylized designs of the sun and other natural figures and marked their faces, shoulders, and legs. Bonvillain Hrdlicka, Ales.

The word tattoo is thought to be derived from both the Polynesian "ta" -- meaning to strike -- and the Latin "tatu" -- meaning to mark. It is a modern trend that is also very stylish if you are an enthusiast and although it will take you longer to have all those body markings the final results will be worth it.
